Information About Your Account

Making Your Payments

The amount of your payment should be at least your minimum payment due. Payment in U.S. dollars and drawn on or payable through a U.S. financial institution or the U.S. branch of a foreign financial institution. You can pay down balances faster by paying more than the minimum payment or the total unpaid balance on your account.

You may make payments electronically through our website or by one of our customer service phone numbers above. In using any of these channels, you are authorizing us to withdraw funds as a one-time electronic funds transfer from your bank account. In our automated phone system, this authorization is provided via entry of a personal identification number. You may revoke this authorization by canceling your payment through our website or customer service telephone numbers prior to the payment processing. If we receive your completed payment request through one of these channels by 11:59 p.m. Eastern Time, we will credit your payment as of that day. If we receive your request after 11:59 p.m. Eastern Time, we will credit your payment as of the next business day. If you specify a future date in your request, we will credit your payment as of that day.

If you pay by regular U.S. mail to the Payments address shown on this statement, send your account number on your check or money order and include the payment coupon in the envelope. Do not send more than one payment or coupon per envelope. Do not staple, clip, or tape the documents. Do not include correspondence. Do not send cash. If we receive your properly prepared payment on any day by 5 p.m. local time at our Payments address on this statement, we will credit to your account that day. If your payment is received after 5 p.m. local time at our Payments address on this statement, we will credit it to your account as of the next calendar day.

For all other payments or for any payment type above for which you do not follow our payment instructions, crediting of your payments may be delayed for up to 5 days.

Account Information Reported to Credit Bureaus

We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report. If you think we have reported inaccurate information to a credit bureau, please write to us at Chase Card Services, P.O. Box 15368, Wilmington, DE 19850-5368.

Authorization to Convert Your Check to An Electronic Transfer Debit

When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic funds transfer from your account or to process the payment as a check. Your bank account may be debited as soon as the same day we receive your payment. You will not receive your check back from your institution.

Conditional Payments

Any payment check or other form of payment that you send us for less than the full balance due that is marked "paid in full" or contains a similar notation, or that you otherwise tender in full satisfaction of a disputed amount, must be sent to Card Services, P.O. Box 15049, Wilmington, DE 19850-5049. We reserve all our rights regarding these payments (e.g., if it is determined there is no valid dispute or if any such check is received at any other address, we may accept the check and you still owe any remaining balance). We may refuse to accept any such payment by returning it to you, not cashing it, or destroying it. All other payments that you make should be sent to the regular Payment address shown on this statement.

Annual Renewal Notice

If your Account Agreement has an annual membership fee, you are responsible for it every year your Account is open. We will add your annual membership fee to your monthly billing statement once a year, whether or not you use your account. Your annual membership fee will be added to your purchase balance and may incur interest. The annual membership fee is non-refundable unless you notify us that you wish to close your account within 30 days of one billing cycle (whichever is less) after we provide the statement on which the annual membership fee is billed. Your payment of the annual membership fee does not affect our right to close your Account and to limit your right to make transactions on your Account. If your Account is closed by you or us, the annual membership fee will no longer be billed to your Account.

Calculation Of Balances Subject To Interest

To figure your periodic interest charges for each billing cycle when a daily periodic rate(s) applies, we use the daily balance method (including new transactions). To figure your periodic interest charges for each billing cycle when a monthly periodic rate(s) applies, we use the average daily balance method (including new transactions). For an explanation of either method or questions about a particular interest charge calculation on your statement, please call us at the toll free customer service phone number listed above.

We calculate periodic interest charges separately for each feature (for example, purchases including Chase Pay Over Time plans created at checkout with select merchants, balance transfers, cash advances, My Chase Loan or overdraft advances). These calculations may combine different categories with the same periodic rates. Variable rates will vary with the market based on the Prime Rate or such index described in your Account Agreement. There is a transaction fee for each balance transfer, cash advance, or check transaction in the amount stated in your Account Agreement. There is a foreign transaction fee of 3% of the U.S. dollar amount of any foreign transaction for some accounts. For fee-based Chase Pay Over Time plans, there is a fixed monthly fee of up to 1.72% of the amount of each eligible purchase transaction or amount you select to pay over time with no interest. Please see your Account Agreement for information about these fees.

We add transactions and fees to your daily balance no earlier than:

- the date of the transaction, for new purchases (including Chase Pay Over Time plans created at checkout with select merchants)

balance transfers, cash advances, or My Chase Loans

- the date the paper deposits the check, for new cash advance checks or balance transfer checks
- the date of a related transaction, the date they are posted to your account, or the last day of the billing cycle, whichever we may choose, for fees

How To Avoid Paying Interest On Purchases

Your due date will be a minimum of 21 days after the close of each billing cycle. If you pay your account for interest-Saving Balance in full each billing period by the date and time due, no interest is charged on new purchases month to month. Also, we will not impose interest charges on any portion of a purchase balance you repay while that balance is subject to an interest-free period. Subject to any interest-free period for new purchases, we will begin charging interest from the date a transaction (including any balance transfer, cash advance, or overdraft advance) fee or interest charge is added to your daily balance until your account is paid in full. Because we apply payments in excess of your minimum payment first to higher rate balances, you may not be able to avoid interest charges on new purchases if you have another balance at a higher interest rate unless you pay your balance (or Interest-Saving Balance) in full each month.

Credit Limit

If you want to inquire about your options to help prevent your account from exceeding your credit limit, please call the number on the back of your card.

What To Do If You Think You Find A Mistake On Your Statement

If you think there is an error on your statement, write to us on a separate sheet at Customer Service, P.O. Box 15299, Wilmington, DE 19850-5299.

In your letter, give us the following information:

- Account information: Your name and Account number
- Dollar amount: The dollar amount of the suspected error
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing. You may call us or notify us electronically, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use the right, all of the following must be true:

- The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50 (note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we or the company that sold you the goods or services).
- You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card Account do not qualify.
- You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at Customer Service, P.O. Box 15299, Wilmington, DE 19850-5299.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will let you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

What is an Interest Saving Balance?

Pay the Interest Saving Balance every month by your due date to avoid interest on new purchases and avoid prematurely paying off your flexible financing offer balances. This amount includes your current statement new balance, minus your total balance for flexible financing offers, plus your monthly payment due for all flexible financing offers. It doesn't include disputed amounts.

New Balance		Total Balance for Flexible Financing Offers		Monthly Payment Due for Flexible Financing Offers		Interest Saving Balance
As shown on page 1 of your current monthly statement		Total amount outstanding for all flexible financing offers		Total amount owed this month for your active flexible financing offers		Pay this by your due date each month to avoid interest on next statement's purchases
\$26,908.33	-	\$1,095.23	+	\$124.43	=	\$25,937.53

[Note:] If your Interest Saving Balance for any billing period is less than your minimum payment due, your Interest Saving Balance will reflect your minimum payment due to avoid a late payment fee. Interest Saving Balance doesn't include disputed amounts.

What is a Flexible Financing Offer?

Flexible financing offers, like equal payment plans, allow you to pay those balances over time based on their offer terms and still avoid additional interest charges on new purchases. Flexible financing offers do not include balance transfers, cash advances, and any promotional purchase APR offers that lack an interest-free period.
