

CAUSE NO. 11DC2601320

MIDLAND CREDIT MANAGEMENT, INC.  
Plaintiff,

vs.

ROBERT ZUNIGA  
Defendant

IN THE JUSTICE COURT

PRECINCT 1 PLACE 1

BEXAR COUNTY, TEXAS

**PLAINTIFF'S ORIGINAL PETITION**

**TO THE HONORABLE COURT:**

MIDLAND CREDIT MANAGEMENT, INC., the Plaintiff, complains of ROBERT ZUNIGA, the Defendant, and for cause of action shows:

**Discovery Level**

1. Plaintiff reserves the right to petition this Court to engage in pretrial discovery pursuant to Rule 500.9 of the Texas Rules of Civil Procedure.

**Parties and Service of Citation**

2. The Plaintiff is a foreign limited liability company duly authorized to conduct business in the State of Texas.

3. The Defendant resides within the venue of the above referenced court and may be served at the following address, or wherever the Defendant may be found:

ROBERT ZUNIGA  
8407 MESCAL PASS  
SAN ANTONIO, TX 78252-2800

**Venue and Jurisdiction; Relief Sought**

4. Venue is proper in this county because Defendant, a natural person, resides in this county. The amount in controversy is within the jurisdictional limit of this court. The Plaintiff seeks only monetary relief of \$20,000.00 or less, including damages of any kind, penalties, cost, expenses if any. Plaintiff does not seek pre-judgment interest or attorney's fees.

**Plaintiffs Efforts To Resolve  
The Underlying Obligation**

5. Plaintiff, MIDLAND CREDIT MANAGEMENT, INC., owns portfolios of consumer receivables, which it attempts to collect. When working with individual consumers, Plaintiff, MIDLAND CREDIT MANAGEMENT, INC., and its affiliates (collectively, "Plaintiff") generally attempt to contact consumers like Defendant through several means, all in an effort to establish contact and to resolve the underlying

obligation. In doing so, Plaintiff attempts to assess each consumer's willingness to pay, through phone calls, letters or other means. Plaintiff attempts to exclude consumers from its collection efforts, where Plaintiff believes those consumers are facing extenuating circumstances or hardships that would prevent them from making any payments.

6. When Plaintiff contacts consumers, it strives to treat consumers with respect, compassion and integrity. Plaintiff works with consumers in an effort to find mutually-beneficial solutions, often offering discounts, hardship plans, and payment options. Plaintiff's efforts are aimed at working with consumers to repay their obligations and to attain financial recovery. Plaintiff strives to engage in dialogue that is honorable and constructive, and to play a positive role in consumers' lives.

7. Despite Plaintiff's efforts to reach consumers and resolve the consumer's obligations, only a percentage of consumers choose to engage with Plaintiff. Those who do are often offered discounts or payment plans that are intended to suit their needs. Plaintiff would prefer to work with consumers to establish voluntary payment arrangements resulting in the resolution of any underlying obligations. However, the majority of Plaintiff's consumers ignore calls or letters, and some simply refuse to repay their obligations despite an apparent ability to do so. When this happens, Plaintiff must decide then whether to pursue collection through legal channels, including litigation like the present action against Defendant. Although the account is now in litigation, Plaintiff remains willing to explore a mutually-beneficial solution through voluntary payment arrangements, if possible.

#### **Count I**

8. Defendant had an account with CAPITAL ONE, N.A.. Plaintiff purchased Defendant's debt on or about December 26, 2024. Plaintiff has been assigned the debt, and Plaintiff is now owed money from Defendant. MIDLAND CREDIT MANAGEMENT, INC. is the current owner of the debt, and any prior holders of the debt are listed in the attached Affidavit Relating to Damages and Business Records and are incorporated by reference.

Relevant information related to the account is as follows:

ORIGINAL CREDITOR:	CAPITAL ONE, N.A.
ACCOUNT NO.:	XXXXXXXXXXXX-4179
DATE OF CHARGE-OFF:	October 21, 2023
CHARGE-OFF BALANCE:	\$4,294.92
DATE OF ORIGINATION:	May 22, 2019

Account Stated

9. Plaintiff is the owner and beneficiary of all claims related to the account opened by Defendant with Plaintiff's predecessor-in-interest. Thus, Plaintiff is entitled to relief under the common law cause of action account stated because (i) transactions between the parties or their predecessors-in-interest gave rise to indebtedness of the Defendant to the Plaintiff (ii) there existed an agreement, express or implied, between the parties establishing a fixed amount due, and (iii) the Defendant made a promise, express or implied, to pay the indebtedness, but has failed to do so.

10. Demand for payment has been made by Plaintiff, and as of December 04, 2025, Defendant has refused and failed to remit the remaining principal amount of \$4,294.92. No interest (0%) is accruing on the account.

### **Damages**

11. Plaintiff seeks liquidated damages in the amount of \$4,294.92 along with post judgment interest at the statutory rate provided by applicable law.

### **Conditions Precedent**

12. All conditions precedent have been performed, have occurred, or should be excused.

### **Prayer**

For these reasons, Plaintiff asks that Defendant be cited to appear and answer, and that Plaintiff have judgment against Defendant for the following:

- a. Actual damages in the amount of \$4,294.92;
- b. All costs of suit; and
- c. All other relief, in law and equity, to which Plaintiff may be entitled.

Respectfully submitted  
MIDLAND CREDIT MANAGEMENT, INC.

**How can I Avoid Paying Interest Charges?** If you pay your New Balance in full by the due date each month, we will not charge interest on new transactions that post to the purchase balance. If you have been paying in full without Interest Charges, but fail to pay your next New Balance in full, we will charge interest on the unpaid balance. Interest Charges on Cash Advances and Special Transfers start on the transaction date. Promotional offers may allow you to pay less than the total New Balance and avoid paying interest on new transactions that post to your purchase balance. See the front of your statement for additional information.

**How is the Interest Charge Determined?** Interest Charges accrue from the date of the transaction, date the transaction is processed or the first day of the Billing Cycle. Interest accrues daily on every unpaid amount until it is paid in full. Interest accrued during a Billing Cycle posts to your account at the end of the Billing cycle and appears on your next statement. You may owe Interest Charges even if you pay the entire New Balance one month, but did not do so the prior month. Once you start accruing Interest Charges, you generally must pay your New Balance in full two consecutive Billing Cycles before Interest Charges stop being posted to your Statement. Interest Charges are added to the corresponding segment of your account.

**Do you assess a Minimum Interest Charge?** We may assess a minimum Interest Charge of \$0.00 for each Billing Cycle if your account is subject to an Interest Charge.

**How do you Calculate the Interest Charge?** We use a method called Average Daily Balance (including new transactions).

1. First, for each segment we take the beginning balance each day and add in new transactions and the periodic Interest Charge on the previous day's balance. Then we subtract any payments and credits for that segment as of that day. The result is the daily balance for each segment. However, if your previous statement balance was zero or a credit amount, new transactions which post to your purchase segment are not added to the daily balance.
2. Next, for each segment, we add the daily balances together and divide the sum by the number of days in the Billing Cycle. The result is the Average Daily Balance for each segment.
3. At the end of each Billing Cycle, we multiply your Average Daily Balance for each segment by the daily periodic rate (APR divided by 365) for that segment, and then we multiply the result by the number of days in the Billing Cycle. We add the Interest Charges for all segments together. The result is your total Interest Charge for the Billing Cycle.

The Average Daily Balance is referred to as the Balance Subject to Interest Rate in the Interest Charge Calculation section of this Statement.

**NOTE:** Due to rounding or a minimum Interest Charge, this calculation may vary slightly from the Interest Charge actually assessed.

**How can I Avoid Membership Fees?** If a Renewal Notice is printed on this statement, you may avoid paying an annual membership Fee by contacting Customer Service fewer than 40 days after the annual membership Fee was assessed to request that we close your account. To avoid paying a monthly membership Fee, close your account and we will stop assessing your monthly membership Fee.

**How can I Close My Account?** You can contact Customer Service anytime to request that we close your account.

**How do you Process Payments?** When you make a payment, you authorize us to initiate an ACH or electronic payment that will be debited from your bank account or other related account. When you provide a check or check information to make a payment, you authorize us to use information from the check to make a one-time ACH or other electronic transfer from your bank account. We may also process it as a check transaction. Funds may be withdrawn from your bank account as soon as the same day we process your payment.

**How do you Apply My Payment?** We generally apply payments up to your Minimum Payment first to the balance with the lowest APR (including 0% APR), and then to balances with higher APRs. We apply any part of your payment exceeding your Minimum Payment to the balance with the highest APR, and then to balances with lower APRs.

**Billing Rights Summary (Does not Apply to Small Business Accounts)**

**What To Do If You Think You Find A Mistake On Your Statement:** If you think there is an error on your statement, write to us at:  
P.O. Box 30285, Salt Lake City, UT 84130-0285.

In your letter, give us the following information:

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us or notify us electronically, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. We will notify you in writing within 30 days of our receipt of your letter. While we investigate whether or not there has been an error, the following are true:
  - We cannot try to collect the amount in question, or report you as delinquent on that amount. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
  - While you do not have to pay the amount in question until we send you a notice about the outcome of our investigation, you are responsible for the remainder of your balance.
  - We can apply any unpaid amount against your credit limit. Within 90 days of our receipt of your letter, we will send you a written notice explaining either that we corrected the error (to appear on your next statement) or the reasons we believe the bill is correct.

**Your Rights If You Are Dissatisfied With Your Purchase:** If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, the following must be true:

- 1) You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify; and
  - 2) You must not yet have fully paid for the purchase.
- If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: P.O. Box 30285, Salt Lake City, UT 84130-0285. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

**How can I Avoid Paying Interest Charges?** If you pay your New Balance in full by the due date each month, we will not charge interest on new transactions that post to the purchase balance. If you have been paying in full without Interest Charges, but fail to pay your next New Balance in full, we will charge interest on the unpaid balance. Interest Charges on Cash Advances and Special Transfers start on the transaction date. Promotional offers may allow you to pay less than the total New Balance and avoid paying interest on new transactions that post to your purchase balance. See the front of your statement for additional information.

**How is the Interest Charge Determined?** Interest Charges accrue from the date of the transaction, date the transaction is processed or the first day of the Billing Cycle. Interest accrues daily on every unpaid amount until it is paid in full. Interest accrued during a Billing Cycle posts to your account at the end of the Billing cycle and appears on your next statement. You may owe Interest Charges even if you pay the entire New Balance one month, but did not do so the prior month. Once you start accruing Interest Charges, you generally must pay your New Balance in full two consecutive Billing Cycles before Interest Charges stop being posted to your Statement. Interest Charges are added to the corresponding segment of your account.

**Do you assess a Minimum Interest Charge?** We may assess a minimum Interest Charge of \$0.00 for each Billing Cycle if your account is subject to an Interest Charge.

**How do you Calculate the Interest Charge?** We use a method called Average Daily Balance (including new transactions).

1. First, for each segment we take the beginning balance each day and add in new transactions and the periodic Interest Charge on the previous day's balance. Then we subtract any payments and credits for that segment as of that day. The result is the daily balance for each segment. However, if your previous statement balance was zero or a credit amount, new transactions which post to your purchase segment are not added to the daily balance.

2. Next, for each segment, we add the daily balances together and divide the sum by the number of days in the Billing Cycle. The result is the Average Daily Balance for each segment.

3. At the end of each Billing Cycle, we multiply your Average Daily Balance for each segment by the daily periodic rate (APR divided by 365) for that segment, and then we multiply the result by the number of days in the Billing Cycle. We add the Interest Charges for all segments together. The result is your total Interest Charge for the Billing Cycle.

The Average Daily Balance is referred to as the Balance Subject to Interest Rate in the Interest Charge Calculation section of this Statement.

NOTE: Due to rounding or a minimum Interest Charge, this calculation may vary slightly from the Interest Charge actually assessed.

**How can I Avoid Membership Fees?** If a Renewal Notice is printed on this statement, you may avoid paying an annual membership Fee by contacting Customer Service no later than 45 days after the last day in the Billing Cycle covered by this statement to request that we close your account. To avoid paying a monthly membership Fee, close your account and we will stop assessing your monthly membership Fee.

**How can I Close My Account?** You can contact Customer Service anytime to request that we close your account.

**How do you Process Payments?** When you make a payment, you authorize us to initiate an ACH or electronic payment that will be debited from your bank account or other related account. When you provide a check or check information to make a payment, you authorize us to use information from the check to make a one-time ACH or other electronic transfer from your bank account. We may also process it as a check transaction. Funds may be withdrawn from your bank account as soon as the same day we process your payment.

**How do you Apply My Payment?** We generally apply payments up to your Minimum Payment first to the balance with the lowest APR (including 0% APR), and then to balances with higher APRs. We apply any part of your payment exceeding your Minimum Payment to the balance with the highest APR, and then to balances with lower APRs.

**What To Do If You Think You Find A Mistake On Your Statement:** If you think there is an error on your statement, write to us at:  
P.O. Box 30285, Salt Lake City, UT 84130-0285.

In your letter, give us the following information:

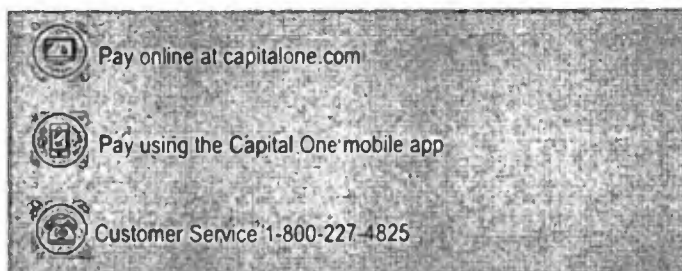

- Account information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us or notify us electronically, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. We will notify you in writing within 30 days of our receipt of your letter. While we investigate whether or not there has been an error, the following are true:
  - We cannot try to collect the amount in question, or report you as delinquent on that amount. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
  - While you do not have to pay the amount in question until we send you a notice about the outcome of our investigation, you are responsible for the remainder of your balance.
  - We can apply any unpaid amount against your credit limit. Within 90 days of our receipt of your letter, we will send you a written notice explaining either that we corrected the error (to appear on your next statement) or the reasons we believe the bill is correct.

**Your Rights If You Are Dissatisfied With Your Purchase:** If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, the following must be true:

- 1) You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify; and
  - 2) You must not yet have fully paid for the purchase.
- If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: P.O. Box 30285, Salt Lake City, UT 84130-0285. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.
