CAUSE NO. \_\_\_\_\_

MIDLAND CREDIT MANAGEMENT, INC.  
Plaintiff,

vs.

ROBERT MOLINA  
Defendant

IN THE JUSTICE COURT  
PRECINCT 1 PLACE 1  
BEXAR COUNTY, TEXAS

**PLAINTIFF'S ORIGINAL PETITION**

**TO THE HONORABLE COURT:**

MIDLAND CREDIT MANAGEMENT, INC., the Plaintiff, complains of ROBERT MOLINA, the Defendant, and for cause of action shows:

**Discovery Level**

1. Plaintiff reserves the right to petition this Court to engage in pretrial discovery pursuant to Rule 500.9 of the Texas Rules of Civil Procedure.

**Parties and Service of Citation**

2. The Plaintiff is a foreign limited liability company duly authorized to conduct business in the State of Texas.

3. The Defendant resides within the venue of the above referenced court and may be served at the following address, or wherever the Defendant may be found:

ROBERT MOLINA  
438 RICHLAND HILLS DR APT 5202  
SAN ANTONIO, TX 78245-3870

**Venue and Jurisdiction; Relief Sought**

4. Venue is proper in this county because Defendant, a natural person, resides in this county. The amount in controversy is within the jurisdictional limit of this court. The Plaintiff seeks only monetary relief of \$20,000.00 or less, including damages of any kind, penalties, cost, expenses if any. Plaintiff does not seek pre-judgment interest or attorney's fees.

**Plaintiffs Efforts To Resolve  
The Underlying Obligation**

5. Plaintiff, MIDLAND CREDIT MANAGEMENT, INC., owns portfolios of consumer receivables, which it attempts to collect. When working with individual consumers, Plaintiff, MIDLAND CREDIT MANAGEMENT, INC., and its affiliates (collectively, "Plaintiff") generally attempt to contact consumers like Defendant through several means, all in an effort to establish contact and to resolve the underlying

obligation. In doing so, Plaintiff attempts to assess each consumer's willingness to pay, through phone calls, letters or other means. Plaintiff attempts to exclude consumers from its collection efforts, where Plaintiff believes those consumers are facing extenuating circumstances or hardships that would prevent them from making any payments.

6. When Plaintiff contacts consumers, it strives to treat consumers with respect, compassion and integrity. Plaintiff works with consumers in an effort to find mutually-beneficial solutions, often offering discounts, hardship plans, and payment options. Plaintiff's efforts are aimed at working with consumers to repay their obligations and to attain financial recovery. Plaintiff strives to engage in dialogue that is honorable and constructive, and to play a positive role in consumers' lives.

7. Despite Plaintiff's efforts to reach consumers and resolve the consumer's obligations, only a percentage of consumers choose to engage with Plaintiff. Those who do are often offered discounts or payment plans that are intended to suit their needs. Plaintiff would prefer to work with consumers to establish voluntary payment arrangements resulting in the resolution of any underlying obligations. However, the majority of Plaintiff's consumers ignore calls or letters, and some simply refuse to repay their obligations despite an apparent ability to do so. When this happens, Plaintiff must decide then whether to pursue collection through legal channels, including litigation like the present action against Defendant. Although the account is now in litigation, Plaintiff remains willing to explore a mutually-beneficial solution through voluntary payment arrangements, if possible.

### **Count I**

8. Defendant had an account with THE BANK OF MISSOURI. Plaintiff purchased Defendant's debt on or about December 26, 2024. Plaintiff has been assigned the debt, and Plaintiff is now owed money from Defendant. MIDLAND CREDIT MANAGEMENT, INC. is the current owner of the debt, and any prior holders of the debt are listed in the attached Affidavit Relating to Damages and Business Records and are incorporated by reference.

Relevant information related to the account is as follows:

ORIGINAL CREDITOR:	THE BANK OF MISSOURI
ACCOUNT NO.:	XXXXXXXXXXXX-9376
DATE OF CHARGE-OFF:	December 13, 2024
CHARGE-OFF BALANCE:	\$5,140.75
DATE OF ORIGINATION:	September 02, 2020

Account Stated

9. Plaintiff is the owner and beneficiary of all claims related to the account opened by Defendant with Plaintiff's predecessor-in-interest. Thus, Plaintiff is entitled to relief under the common law cause of action account stated because (i) transactions between the parties or their predecessors-in-interest gave rise to indebtedness of the Defendant to the Plaintiff (ii) there existed an agreement, express or implied, between the parties establishing a fixed amount due, and (iii) the Defendant made a promise, express or implied, to pay the indebtedness, but has failed to do so.

10. Demand for payment has been made by Plaintiff, and as of December 04, 2025, Defendant has refused and failed to remit the remaining principal amount of \$5,140.75. No interest (0%) is accruing on the account.

#### **Damages**

11. Plaintiff seeks liquidated damages in the amount of \$5,140.75 along with post judgment interest at the statutory rate provided by applicable law.

#### **Conditions Precedent**

12. All conditions precedent have been performed, have occurred, or should be excused.

#### **Prayer**

For these reasons, Plaintiff asks that Defendant be cited to appear and answer, and that Plaintiff have judgment against Defendant for the following:

- a. Actual damages in the amount of \$5,140.75;
- b. All costs of suit; and
- c. All other relief, in law and equity, to which Plaintiff may be entitled.

Respectfully submitted  
MIDLAND CREDIT MANAGEMENT, INC.

PAYMENTS**

Payments should be mailed with the payment coupon and in the envelope provided to the Concora Credit payment address indicated on the payment coupon. Any payment received in that form and at that address on or before 5:00 P.M. Eastern on a normal banking day will be credited to your Account that day. If your payment is received in that form and at that address after 5:00 P.M. Eastern Time on a normal banking day, or anytime on a non banking day, we will credit it to your Account the next banking day. Payments can also be made online. When you provide a check as payment, you authorize us either to use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment and you will not receive your check back from your financial institution. Payments received at other than the remittance address on the face of this statement may be subject to a delay in crediting of up to 5 days after the date of receipt.

**DEFERRED INTEREST PROMOTIONS**

If applicable, each deferred interest promotion balance accrues interest from the date of purchase, but interest will not be charged if you pay the promotion balance in full before the end of the deferred interest period and you make monthly payments as required. The deferred interest period will end when one or more of the following events occur:

- Promotional end date as reflected on the front of your statement;
- Your Account becomes more than 180 days past due;
- Your Account is charged off for any reason.

Interest on a promotion balance will accrue during the deferred interest period at the APR reflected on the front of your statement, and such interest will be charged to your Account if you do not pay the promotion balance in full before the end of the deferred interest period.

You must make monthly minimum payments during the deferred interest period. Paying only the monthly minimum payment may not pay off the deferred interest balance within the deferred interest period. You may have to make additional or increased payments during the deferred interest period to avoid having to pay all accrued deferred interest.

**ALLOCATING YOUR PAYMENT**

**YOUR PAYMENTS WILL BE ALLOCATED AS REQUIRED BY LAW. ANY PAYMENT AMOUNT ABOVE THE MINIMUM PAYMENT DUE WILL BE APPLIED AS FOLLOWS: (1) IF YOU HAVE A DEFERRED INTEREST PROMOTION BALANCE IN THE LAST TWO CYCLES PRIOR TO EXPIRATION, EXCESS PAYMENTS WILL BE APPLIED TO THAT BALANCE FIRST, AND (2) IN ALL OTHER SITUATIONS, WE WILL APPLY EXCESS PAYMENTS TO YOUR HIGHER INTEREST BALANCES.**

**CREDIT REPORTING**

WE MAY REPORT INFORMATION ABOUT YOUR ACCOUNT TO CREDIT BUREAUS. LATE PAYMENTS, MISSED PAYMENTS, OR OTHER DEFAULTS ON YOUR ACCOUNT MAY BE REFLECTED IN YOUR CREDIT REPORT.

**HOW INTEREST CHARGES ARE DETERMINED**

**When We Charge Interest.** We charge interest on your purchases from the post date until you pay the purchase in full. We charge interest on fees and other debits from the transaction date until you pay the fees in full.

However, we do not assess interest charges in the following circumstances:

1. If you paid the New Balance at the beginning of your previous Billing Cycle by the Payment Due Date during the previous Billing Cycle, or if that New Balance was \$0 or a credit balance, then:
  - a. If you pay the New Balance on your current month's statement in full by the Payment Due Date in your current Billing Cycle, we will not assess interest charges on purchases during your current Billing Cycle; and
  - b. If you make a payment that is less than the New Balance by the Payment Due Date in your current Billing Cycle, we will credit that payment as of the first day in your current Billing Cycle.
2. If you had a New Balance at the beginning of your previous Billing Cycle and you did not pay that New Balance by the Payment Due Date during that previous Billing Cycle, then we will not assess interest charges on any purchases during the current Billing Cycle if you pay the New Balance at the beginning of your current Billing Cycle by the Payment Due Date in your current Billing Cycle.

**How We Calculate Interest.** We calculate interest separate for each balance segment on your Account. We do this by applying the daily periodic rate to your average daily balance (including new purchases), and then multiplying the resulting number by the number of days in the Billing Cycle for each balance segment. An average daily balance is calculated for the following balance segments as applicable: Purchase Balance segments and the Regular Balance segment.

We calculate interest for each balance segment as follows:

1. For each day, we take the beginning balance of each balance segment in the Billing Cycle, including any unpaid interest charges, add any new purchases, fees, and debits, and then subtract the applicable portion of any payments and credits. This gives us the daily balance.
2. Then, we add all the daily balances for the Billing Cycle together and divide the total by the number of days in the Billing Cycle. This gives us the average daily balance.
3. If you had a New Balance at the beginning of your previous Billing Cycle and you did not pay that New Balance by the Payment Due Date during that previous Billing Cycle, then we will not assess interest charges on any purchases during the current Billing Cycle if you pay the New Balance at the beginning of your current Billing Cycle by the Payment Due Date in your current Billing Cycle.
4. Next, we multiply the daily periodic rate by the average daily balance.
5. Finally, we take the resulting number from #3 and multiply it by the number of days in the Billing Cycle. This gives us the interest charge for each balance segment for the Billing Cycle.

Periodic interest charges on cash advances will be imposed at the applicable monthly periodic rate from the date each cash advance is made and will continue to accrue on unpaid balances as long as they remain unpaid. There is no grace period on cash advances and there is no period within which to pay to avoid interest charges on cash advances.

**WHAT TO DO IF YOU THINK YOU FIND A MISTAKE ON YOUR STATEMENT**

If you think there is an error on your statement, write to us at: P.O. Box 4499, Beaverton, Oregon 97076-4499.

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar Amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing or electronically. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Your Rights If You Are Dissatisfied With Your Credit Card Purchases**

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically at: Concora Credit, P.O. Box 4499, Beaverton, Oregon, 97076.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

AND SERVICED BY CONCORA CREDIT INC.  
PAYMENTS**

Payments should be mailed with the payment coupon and in the envelope provided to the Concora Credit payment address indicated on the payment coupon. Any payment received in that form and at that address on or before 5:00 P.M. Eastern on a normal banking day will be credited to your Account that day. If your payment is received in that form and at that address after 5:00 P.M. Eastern Time or a normal banking day, or anytime on a non banking day, we will credit it to your Account the next banking day. Payments can also be made online. When you provide a check as payment, you authorize us either to use the information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment and you will not receive your check back from your financial institution. Payments received at other than the remittance address on the face of this statement may be subject to a delay in crediting of up to 5 days after the date of receipt.

**DEFERRED INTEREST PROMOTIONS**

If applicable, each deferred interest promotion balance accrues interest from the date of purchase, but interest will not be charged if you pay the promotion balance in full before the end of the deferred interest period and you make monthly payments as required. The deferred interest period will end when one or more of the following events occur:

- Promotional end date as reflected on the front of your statement;
- Your Account becomes more than 180 days past due;
- Your Account is charged off for any reason.

Interest on a promotion balance will accrue during the deferred interest period at the APR reflected on the front of your statement, and such interest will be charged to your Account if you do not pay the promotion balance in full before the end of the deferred interest period.

You must make monthly minimum payments during the deferred interest period. Paying only the monthly minimum payment may not pay off the deferred interest balance within the deferred interest period. You may have to make additional or increased payments during the deferred interest period to avoid having to pay all accrued deferred interest.

**ALLOCATING YOUR PAYMENT**

**YOUR PAYMENTS WILL BE ALLOCATED AS REQUIRED BY LAW. ANY PAYMENT AMOUNT ABOVE THE MINIMUM PAYMENT DUE WILL BE APPLIED AS FOLLOWS: (1) IF YOU HAVE A DEFERRED INTEREST PROMOTION BALANCE IN THE LAST TWO CYCLES PRIOR TO EXPIRATION, EXCESS PAYMENTS WILL BE APPLIED TO THAT BALANCE FIRST, AND (2) IN ALL OTHER SITUATIONS, WE WILL APPLY EXCESS PAYMENTS TO YOUR HIGHER INTEREST BALANCES.**

**CREDIT REPORTING**

WE MAY REPORT INFORMATION ABOUT YOUR ACCOUNT TO CREDIT BUREAUS. LATE PAYMENTS, MISSED PAYMENTS, OR OTHER DEFAULTS ON YOUR ACCOUNT MAY BE REFLECTED IN YOUR CREDIT REPORT.

**HOW INTEREST CHARGES ARE DETERMINED**

**When We Charge Interest:** We charge interest on your purchases from the post date until you pay the purchase in full. We charge interest on fees and other debts from the transaction date until you pay the fees in full.

However, we do not assess interest charges in the following circumstances:

1. If you paid the New Balance at the beginning of your previous Billing Cycle by the Payment Due Date during the previous Billing Cycle, or if that New Balance was \$0 or a credit balance, then:
  - a. if you pay the New Balance on your current month's statement in full by the Payment Due Date in your current Billing Cycle, we will not assess interest charges on purchases during your current Billing Cycle; and
  - b. if you make a payment that is less than the New Balance by the Payment Due Date in your current Billing Cycle, we will credit that payment as of the first day in your current Billing Cycle.
2. If you had a New Balance at the beginning of your previous Billing Cycle and you did not pay that New Balance by the Payment Due Date during that previous Billing Cycle, then we will not assess interest charges on any purchases during the current Billing Cycle if you pay the New Balance at the beginning of your current Billing Cycle by the Payment Due Date in your current Billing Cycle.

**How We Calculate Interest:** We calculate interest separately for each balance segment on your Account. We do this by applying the daily periodic rate to your average daily balance (including new purchases), and then multiplying the resulting number by the number of days in the Billing Cycle for each balance segment. An average daily balance is calculated for the following balance segments as applicable: Purchase Balance segments and the Regular Balance segment.

We calculate interest for each balance segment as follows:

1. For each day, we take the beginning balance of each balance segment in the Billing Cycle, including any unpaid interest charges, add any new purchases, fees, and debits, and then subtract the applicable portion of any payments and credits. This gives us the daily balance.
2. Then, we add all the daily balances for the Billing Cycle together and divide the total by the number of days in the Billing Cycle. This gives us the average daily balance.
3. If you had a New Balance at the beginning of your previous Billing Cycle and you did not pay that New Balance by the Payment Due Date during that previous Billing Cycle, then we will not assess interest charges on any purchases during the current Billing Cycle if you pay the New Balance at the beginning of your current Billing Cycle by the Payment Due Date in your current Billing Cycle.
4. Next, we multiply the daily periodic rate by the average daily balance.
5. Finally, we take the resulting number from #3 and multiply it by the number of days in the Billing Cycle. This gives us the interest charge for each balance segment for the Billing Cycle.

Periodic interest charges on cash advances will be imposed at the applicable monthly periodic rate from the date each cash advance is made and will continue to accrue on unpaid balances as long as they remain unpaid. There is no grace period on cash advances and there is no period within which to pay to avoid interest charges on cash advances.

**WHAT TO DO IF YOU THINK YOU FIND A MISTAKE ON YOUR STATEMENT**

If you think there is an error on your statement, write to us at: P.O. Box 4499, Beaverton, Oregon 97076-4499.

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar Amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing or electronically. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Your Rights If You Are Dissatisfied With Your Credit Card Purchases**

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically at: Concora Credit, P.O. Box 4499, Beaverton, Oregon, 97076.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.
