What To Do If You Think You Find A Mistake On Your Statement:
If you think there is an error on your statement, write to us at Community Capital Bank, PO Box 182620, Columbus, OH 43218-2620.

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if we do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases:
If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at Community Capital Bank, PO Box 182620, Columbus, OH 43218-2620.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

CREDIT REPORTING: We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

NOTICE OF CREDIT REPORT DISPUTES

DO NOT USE THE ENCLOSED REMITTANCE ENVELOPE.
- We may accept payment sent to any other address without losing any of our rights.

HOW TO AVOID PAYING INTEREST: Your due date is at least 25 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your entire balance by the due date each month. We will begin to charge interest on new purchases made under a Low APR Equal Payment or Budget Payment Credit Plan from the date of purchase.

BALANCE COMPUTATION METHOD: We calculate interest separately for each balance using the method(s) described below. The two letters in parentheses next to the Balance Subject to Interest Rate column in the Interest Charge Calculation section on this statement corresponds to the following:

(DA) We figure the interest charge on this balance by applying the periodic rate to the "daily balance" for each day in the billing period. To get the "daily balance" we take the beginning balance each day, add any new transactions and fees and subtract any payments or credits (leaving any net credit balance as a zero balance). This gives us the daily balance.

CUSTOMER SERVICE: Visit COMMUNITY.NET/NTBTH or call 1-866-292-5650 (TDD/TTY 1-866-819-1918). Send all inquiries to: CUSTOMER SERVICE, PO Box 183003, Columbus, OH 43218-3003.

TELEPHONE MONITORING: To provide you with high-quality service, phone communication with us is monitored and/or recorded.

You may pay all of your Account balance at any time without penalty.

NOTICE ABOUT ELECTRONIC CHECK CONVERSION: When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction.

What To Do If You Think You Find A Mistake On Your Statement:
If you think there is an error on your statement, write to us at Community Capital Bank, PO Box 182620, Columbus, OH 43218-2620.

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, we will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Your Rights If You Are Dissatisfied With Your Credit Card Purchases:
If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at Community Capital Bank, PO Box 182620, Columbus, OH 43218-2620.

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

CREDIT REPORTING: We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

HOW TO AVOID PAYING INTEREST. Your due date is at least 25 days after the close of each billing cycle. We will not charge you interest on purchases if you pay your entire balance by the due date each month. We will begin to charge interest on new purchases made under a Low APR, Equal Payment or Budget Payment Credit Plan from the date of purchase.

BALANCE COMPUTATION METHOD: We calculate interest separately for each balance using the method(s) described below. The two letters in parentheses next to the Balance Subject to Interest Rate column in the Interest Charge Calculation section on this statement corresponds to the following:

(DA) We figure the interest charge on this balance by applying the periodic rate to the "daily balance" for each day in the billing period. To get the "daily balance" we take the beginning balance each day, add any new transactions and fees and subtract any payments or credits (leaving any net credit balance as a zero balance). This gives us the daily balance.
