	§	PRECINCT 2 PLACE 1

PLAINTIFF'S ORIGINAL PETITION

TO THE HONORABLE JUDGE OF SAID COURT:

Plaintiff, AMERICAN EXPRESS NATIONAL BANK complains of Defendant SCOTT BRASWELL a/k/a SCOTT B BRASWELL and would respectfully show the following:

PARTIES

Plaintiff, AMERICAN EXPRESS NATIONAL BANK is a national bank organized under the laws of the United States of America with its offices located at 115 W. Towne Ridge Parkway, Sandy, Utah 84070. Plaintiff may be contacted through its undersigned attorney of record.

Defendant Scott Braswell a/k/a Scott B Braswell, is an individual and may be served by citation at 2514 Pecan Grove Ct, Pearland, TX 77584.

¹ On April 1, 2018 American Express Centurion Bank changed its name to American Express National Bank and American Express Bank FSB, merged with American Express National Bank with American Express National Bank as the surviving entity after the merger. See, <https://www.occ.treas.gov/topics/licensing/interpretations-and-actions/2018/interpretations-and-actions-jan-2018.html>. See also, 12 U.S.C. § 35; 12 CFR 5.24 and 12 U.S.C. § 1828 et seq.

VENUE

Venue of this action is proper in the county named above because Defendant is an individual believed to be residing in said county at the time of commencement of suit.

AMOUNT IN CONTROVERSY

The amount in controversy is within the jurisdictional limits of this court, including actual damages, interest, and costs of court.

FACTS

The American Express Blue Business Cash Card Account

American Express ("the Issuer") issued a American Express Blue Business Cash in Defendant's name under its account number XXXX-XXXXXX-X2009 on April 19, 2021. Defendant received and used (or authorized the use of) the card and thereby became obligated to pay for the charges incurred with this credit card.

On or about thirty (30) days after June 7, 2025 Defendant defaulted on the obligation to make monthly payments on the credit card account. The entire balance on the credit card account is presently due and payable in full.

Defendant is presently indebted to Plaintiff in the amount of \$7,128.97. Plaintiff seeks judgment for such sums.

BREACH OF CONTRACT

The issuance of a credit card constitutes the offer of a contract. Even in the absence of such an agreement the issuance of a credit card constitutes an offer of credit and the use of credit card constitutes the acceptance of the offer of credit. See Texas Business and Commerce Code, §26.02(a)(2)(A), *Winchek v. Am. Express Travel Related Servs. Co.*, 232 S.W.3d 197, 204 (Tex.

App.—Houston [1st Dist] 2007, no pet.).

By using and/or authorizing the use of the credit cards at issue Defendant accepted the contracts with Plaintiff and became bound to pay for all charges incurred with the credit cards. Defendant also became subject to all of the terms and conditions of Plaintiff's cardholder agreements.

Plaintiff sent to Defendant monthly billing statements reflecting, *inter alia*, all charges incurred with the credit cards, the monthly payment due, and the total balance due. To the best of Plaintiff's knowledge and belief Defendant did not ever send to Plaintiff any written disputes of the monthly billing statements or the charges reflected thereon. Defendant was contractually required to submit any disputes of the charges set forth in such statements, in writing, within sixty (60) days from the date of the statements. Defendant's failure to submit such disputes constitutes an admission of the account balances.

ACCOUNT STATED

Plaintiff asserts that Defendant's use of the credit cards to purchase goods and services represented periodic accounts, for which the Issuer generated regular monthly statements. Defendant is liable to Plaintiff for the account balances, together with interest thereon at the rate allowed by law. *See Neil v. Agrus*, 693 S.W.2d 604 (Tex. App.—Houston [14th Dist.] 1985, no writ), and *Magnuson v. Citibank (South Dakota) N.A.*, 2-06-465-CV (Tex. App.—Fort Worth 2nd Dist. 2008).

CONDITIONS PRECEDENT

Through its undersigned attorney Plaintiff has demanded payment from Defendant, but Defendant has not satisfied such demand. Plaintiff has performed all conditions precedent to the filing of this action, or all such conditions precedent have occurred.

WHEREFORE, PREMISES CONSIDERED, Plaintiff prays that Defendant be summoned to appear and answer, and that upon final hearing, Plaintiff have judgment against Defendant for:

- a. \$7,128.97, which is the balance due on the credit cards as of the date of Plaintiff's filing of this Petition;
- b. all costs of court; and
- c. all such other and further relief to which Plaintiff may be justly entitled, both in equity and in law.

Payments: Your payment must be sent to the payment address shown on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day. Payments must also: (1) include the remittance coupon from your statement; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

How We Calculate Your Balance: We use the Average Daily Balance (ADB) method (including new transactions) to calculate the balance on which we charge interest on your Account. Call the Customer Care number on page 3 for more information about this balance computation method and how resulting interest charges are determined. *The method we use to calculate the ADB and interest results in daily compounding of interest.*

Paying Interest: Your due date is at least 25 days after the Closing Date of each billing period. We will not charge you interest on your purchases if you pay the New Balance by the due date each month. We will charge you interest on balance transfers (unless otherwise disclosed) beginning on the transaction date. You can avoid paying interest on the Amount Above the Credit Limit by paying your Minimum Payment Due before the closing date of the month in which it is due. See your Cardmember Agreement for further details.

Foreign Currency Charges: If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. **We will charge a fee of 2.70% of the converted US dollar amount.** We will choose a conversion rate that is acceptable to us for that date, unless a

particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments (such as airlines) will be billed at the rates such establishments use.

Credit Balance: A credit balance (designated CR) shown on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is \$1.00 or more.

Credit Reporting: We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

About Trailing Interest

You may see interest on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest". Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens, we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full and on time each month. Please see the "When we charge interest" sub-section in your Cardmember Agreement for details.
