PLAINTIFF'S ORIGINAL PETITION

TO THE HONORABLE COURT:

MIDLAND CREDIT MANAGEMENT, INC., the Plaintiff, complains of PEDRO MARTINEZ ACUNA, the Defendant, and for cause of action shows:

Discovery Level

1. Plaintiff reserves the right to petition this Court to engage in pretrial discovery pursuant to Rule 500.8 of the Texas Rules of Civil Procedure.

Parties and Service of Citation

2. The Plaintiff is a foreign limited liability company duly authorized to conduct business in the State of Texas.

3. The Defendant resides within the venue of the above referenced court and may be served at the following address, or wherever the Defendant may be found:

PEDRO MARTINEZ ACUNA
15 W HAWTHORNE AVE
BROWNSVILLE, TX 78520-7861

Venue and Jurisdiction; Relief Sought

4. Venue is proper in this county because Defendant, a natural person, resides in this county. The amount in controversy is within the jurisdictional limit of this court. The Plaintiff seeks only monetary relief of \$20,000.00 or less, including damages of any kind, penalties, cost, expenses if any. Plaintiff does not seek pre-judgment interest or attorney's fees.

**Plaintiffs Efforts To Resolve
The Underlying Obligation**

5. Plaintiff, MIDLAND CREDIT MANAGEMENT, INC., owns portfolios of consumer receivables, which it attempts to collect. When working with individual consumers, Plaintiff, MIDLAND CREDIT MANAGEMENT, INC., and its affiliates (collectively, "Plaintiff") generally attempt to contact consumers like Defendant through several means, all in an effort to establish contact and to resolve the underlying

obligation. In doing so, Plaintiff attempts to assess each consumer's willingness to pay, through phone calls, letters or other means. Plaintiff attempts to exclude consumers from its collection efforts, where Plaintiff believes those consumers are facing extenuating circumstances or hardships that would prevent them from making any payments.

6. When Plaintiff contacts consumers, it strives to treat consumers with respect, compassion and integrity. Plaintiff works with consumers in an effort to find mutually-beneficial solutions, often offering discounts, hardship plans, and payment options. Plaintiff's efforts are aimed at working with consumers to repay their obligations and to attain financial recovery. Plaintiff strives to engage in dialogue that is honorable and constructive, and to play a positive role in consumers' lives.

7. Despite Plaintiff's efforts to reach consumers and resolve the consumer's obligations, only a percentage of consumers choose to engage with Plaintiff. Those who do are often offered discounts or payment plans that are intended to suit their needs. Plaintiff would prefer to work with consumers to establish voluntary payment arrangements resulting in the resolution of any underlying obligations. However, the majority of Plaintiff's consumers ignore calls or letters, and some simply refuse to repay their obligations despite an apparent ability to do so. When this happens, Plaintiff must decide then whether to pursue collection through legal channels, including litigation like the present action against Defendant. Although the account is now in litigation, Plaintiff remains willing to explore a mutually-beneficial solution through voluntary payment arrangements, if possible.

Count I

8. Defendant had an account with CAPITAL ONE, N.A.. Plaintiff purchased Defendant's debt on or about April 22, 2024. Plaintiff has been assigned the debt, and Plaintiff is now owed money from Defendant. MIDLAND CREDIT MANAGEMENT, INC. is the current owner of the debt, and any prior holders of the debt are listed in the attached Affidavit Relating to Damages and Business Records and are incorporated by reference.

Relevant information related to the account is as follows:

ORIGINAL CREDITOR:	CAPITAL ONE, N.A.
ACCOUNT NO.:	XXXXXXXXXXXXXX-3567
DATE OF CHARGE-OFF:	March 14, 2024
CHARGE-OFF BALANCE:	\$1,976.36
DATE OF ORIGINATION:	August 14, 2022

Account Stated

9. Plaintiff is the owner and beneficiary of all claims related to the account opened by Defendant with Plaintiff's predecessor-in-interest. Thus, Plaintiff is entitled to relief under the common law cause of action account stated because (i) transactions between the parties or their predecessors-in-interest gave rise to indebtedness of the Defendant to the Plaintiff (ii) there existed an agreement, express or implied, between the parties establishing a fixed amount due, and (iii) the Defendant made a promise, express or implied, to pay the indebtedness, but has failed to do so.

10. Demand for payment has been made by Plaintiff, and as of December 19, 2025, Defendant has refused and failed to remit the remaining principal amount of \$1,537.36. No interest (0%) is accruing on the account.

Damages

11. Plaintiff seeks liquidated damages in the amount of \$1,537.36 along with post judgment interest at the statutory rate provided by applicable law.

Conditions Precedent

12. All conditions precedent have been performed, have occurred, or should be excused.

Prayer

For these reasons, Plaintiff asks that Defendant be cited to appear and answer, and that Plaintiff have judgment against Defendant for the following:

- a. Actual damages in the amount of \$1,537.36;
- b. All costs of suit; and
- c. All other relief, in law and equity, to which Plaintiff may be entitled.

Respectfully submitted

I am employed by MIDLAND CREDIT MANAGEMENT, INC., the servicer for MIDLAND CREDIT MANAGEMENT, INC., Plaintiff in this case. In addition, I reviewed the documents that are attached.

Pursuant to the attachment, Defendant is not in active-duty status of the military.

This response reflects whether the individual's unit was notified of a future call to report for active duty.			

Upon searching the data banks of the Department of Defense Manpower Data Center, based on the information that you provided, the above is the status of the individual on the active duty status date as to all branches of the Uniformed Services (Army, Navy, Marine Corps, Air Force, Space Force, NOAA, Public Health, and Coast Guard). This status includes information on a Servicemember or his/her unit receiving notification of future orders to report for Active Duty.

The Defense Manpower Data Center (DMDC) is an organization of the Department of Defense (DoD) that maintains the Defense Enrollment and Eligibility Reporting System (DEERS) database which is the official source of data on eligibility for military medical care and other eligibility systems.

The DoD strongly supports the enforcement of the Servicemembers Civil Relief Act (50 USC App. § 3901 et seq., as amended) (SCRA) (formerly known as the Soldiers' and Sailors' Civil Relief Act of 1940). DMDC has issued hundreds of thousands of "does not possess any information indicating that the individual is currently on active duty" responses, and has experienced only a small error rate. In the event the individual referenced above, or any family member, friend, or representative asserts in any manner that the individual was on active duty for the active duty status date, or is otherwise entitled to the protections of the SCRA, you are strongly encouraged to obtain further verification of the person's status by contacting that person's Service. Service contact information can be found on the SCRA website's FAQ page (Q35) via this URL: <https://scra.dmdc.osd.mil/scra/faqs>. If you have evidence the person was on active duty for the active duty status date and you fail to obtain this additional Service verification, punitive provisions of the SCRA may be invoked against you. See 50 USC App. § 3921(c).

This response reflects the following information: (1) The individual's Active Duty status on the Active Duty Status Date (2) Whether the individual left Active Duty status within 367 days preceding the Active Duty Status Date (3) Whether the individual or his/her unit received early notification to report for active duty on the Active Duty Status Date.

More information on "Active Duty Status"

Active duty status as reported in this certificate is defined in accordance with 10 USC § 101(d)(1). Prior to 2010 only some of the active duty periods less than 30 consecutive days in length were available. In the case of a member of the National Guard, this includes service under a call to active service authorized by the President or the Secretary of Defense under 32 USC § 502(f) for purposes of responding to a national emergency declared by the President and supported by Federal funds. All Active Guard Reserve (AGR) members must be assigned against an authorized mobilization position in the unit they support. This includes Navy Training and Administration of the Reserves (TARs), Marine Corps Active Reserve (ARs) and Coast Guard Reserve Program Administrator (RPAs). Active Duty status also applies to a Uniformed Service member who is an active duty commissioned officer of the U.S. Public Health Service or the National Oceanic and Atmospheric Administration (NOAA Commissioned Corps).

Coverage Under the SCRA is Broader in Some Cases

Coverage under the SCRA is broader in some cases and includes some categories of persons on active duty for purposes of the SCRA who would not be reported as on Active Duty under this certificate. SCRA protections are for Title 10 and Title 14 active duty records for all the Uniformed Services periods. Title 32 periods of Active Duty are not covered by SCRA, as defined in accordance with 10 USC § 101(d)(1).

Many times orders are amended to extend the period of active duty, which would extend SCRA protections. Persons seeking to rely on this website certification should check to make sure the orders on which SCRA protections are based have not been amended to extend the inclusive dates of service. Furthermore, some protections of the SCRA may extend to persons who have received orders to report for active duty or to be inducted, but who have not actually begun active duty or actually reported for induction. The Last Date on Active Duty entry is important because a number of protections of the SCRA extend beyond the last dates of active duty.

Those who could rely on this certificate are urged to seek qualified legal counsel to ensure that all rights guaranteed to Service members under the SCRA are protected.

WARNING: This certificate was provided based on a last name, SSN/date of birth, and active duty status date provided by the requester. Providing erroneous information will cause an erroneous certificate to be provided.

How can I Avoid Paying Interest Charges? If you pay your New Balance in full by the due date each month, we will not charge interest on new transactions that post to the purchase balance. If you have been paying in full without Interest Charges, but fail to pay your next New Balance in full, we will charge interest on the unpaid balance. Interest Charges on Cash Advances and Special Transfers start on the transaction date. Promotional offers may allow you to pay less than the total New Balance and avoid paying interest on new transactions that post to your purchase balance. See the front of your statement for additional information.

How is the Interest Charge Determined? Interest Charges accrue from the date of the transaction, date the transaction is processed or the first day of the Billing Cycle. Interest accrues daily on every unpaid amount until it is paid in full. Interest accrued during a Billing Cycle posts to your account at the end of the Billing cycle and appears on your next statement. You may owe Interest Charges even if you pay the entire New Balance one month, but did not do so the prior month. Once you start accruing Interest Charges, you generally must pay your New Balance in full two consecutive Billing Cycles before Interest Charges stop being posted to your Statement. Interest Charges are added to the corresponding segment of your account.

Do you assess a Minimum Interest Charge? We may assess a minimum Interest Charge of \$0.00 for each Billing Cycle if your account is subject to an Interest Charge.

How do you Calculate the Interest Charge? We use a method called Average Daily Balance (including new transactions).

1. First, for each segment we take the beginning balance each day and add in new transactions and the periodic Interest Charge on the previous day's balance. Then we subtract any payments and credits for that segment as of that day. The result is the daily balance for each segment. However, if your previous statement balance was zero or a credit amount, new transactions which post to your purchase segment are not added to the daily balance.

2. Next, for each segment, we add the daily balances together and divide the sum by the number of days in the Billing Cycle. The result is the Average Daily Balance for each segment.

3. At the end of each Billing Cycle, we multiply your Average Daily Balance for each segment by the daily periodic rate (APR divided by 365) for that segment, and then we multiply the result by the number of days in the Billing Cycle. We add the Interest Charges for all segments together. The result is your total Interest Charge for the Billing Cycle.

The Average Daily Balance is referred to as the Balance Subject to Interest Rate in the Interest Charge Calculation section of this Statement.

NOTE: Due to rounding or a minimum Interest Charge, this calculation may vary slightly from the Interest Charge actually assessed.

How can I Avoid Membership Fees? If a Renewal Notice is printed on this statement, you may avoid paying an annual membership Fee by contacting Customer Service fewer than 40 days after the annual membership Fee was assessed to request that we close your account. To avoid paying a monthly membership Fee, close your account and we will stop assessing your monthly membership Fee.

How can I Close My Account? You can contact Customer Service anytime to request that we close your account.

How do you Process Payments? When you make a payment, you authorize us to initiate an ACH or electronic payment that will be debited from your bank account or other related account. When you provide a check or check information to make a payment, you authorize us to use information from the check to make a one-time ACH or other electronic transfer from your bank account. We may also process it as a check transaction. Funds may be withdrawn from your bank account as soon as the same day we process your payment.

How do you Apply My Payment? We generally apply payments up to your Minimum Payment first to the balance with the lowest APR (including 0% APR), and then to balances with higher APRs. We apply any part of your payment exceeding your Minimum Payment to the balance with the highest APR, and then to balances with lower APRs.

Billing Rights Summary (Does not Apply to Small Business Accounts)

What To Do If You Think You Find A Mistake On Your Statement: If you think there is an error on your statement, write to us at:
P.O. Box 30285, Salt Lake City, UT 84130-0285.

In your letter, give us the following information:

- Account Information: Your name and account number.
- Dollar amount: The dollar amount of the suspected error.
- Description of Problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake. You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us or notify us electronically, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question. We will notify you in writing within 30 days of our receipt of your letter. While we investigate whether or not there has been an error, the following are true:
 - We cannot try to collect the amount in question, or report you as delinquent on that amount. The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
 - While you do not have to pay the amount in question until we send you a notice about the outcome of our investigation, you are responsible for the remainder of your balance.
 - We can apply any unpaid amount against your credit limit. Within 90 days of our receipt of your letter, we will send you a written notice explaining either that we corrected the error (to appear on your next statement) or the reasons we believe the bill is correct.

Your Rights If You Are Dissatisfied With Your Purchase: If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, the following must be true:

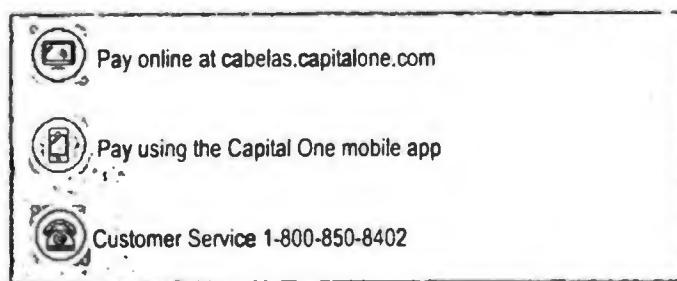

1) You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify, and

2) You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: P.O. Box 30285, Salt Lake City, UT 84130-0285. While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.

How can I Avoid Paying Interest Charges? If you pay your New Balance in full by the due date each month, we will not charge interest on new transactions that post to the purchase balance. If you have been paying in full without Interest Charges, but fail to pay your next New Balance in full, we will charge interest on the unpaid balance. Interest Charges on Cash Advances and Special Transfers start on the transaction date. Promotional offers may allow you to pay less than the total New Balance and avoid paying interest on new transactions that post to your purchase balance. See the front of your statement for additional information.

How is the Interest Charge Determined? Interest Charges accrue from the date of the transaction, date the transaction is processed or the first day of the Billing Cycle. Interest accrues daily on every unpaid amount until it is paid in full. Interest accrued during a Billing Cycle posts to your account at the end of the Billing cycle and appears on your next statement. You may owe Interest Charges even if you pay the entire New Balance one month, but did not do so the prior month. Once you start accruing Interest Charges, you generally must pay your New Balance in full two consecutive Billing Cycles before Interest Charges stop being posted to your Statement. Interest Charges are added to the corresponding segment of your account.

Do you assess a Minimum Interest Charge? We may assess a minimum Interest Charge of \$0.00 for each Billing Cycle if your account is subject to an Interest Charge.

How do you Calculate the Interest Charge? We use a method called Average Daily Balance (including new transactions).

1. First, for each segment we take the beginning balance each day and add in new transactions and the periodic Interest Charge on the previous day's balance. Then we subtract any payments and credits for that segment as of that day. The result is the daily balance for each segment. However, if your previous statement balance was zero or a credit amount, new transactions which post to your purchase segment are not added to the daily balance.

2. Next, for each segment, we add the daily balances together and divide the sum by the number of days in the Billing Cycle. The result is the Average Daily Balance for each segment.

3. At the end of each Billing Cycle, we multiply your Average Daily Balance for each segment by the daily periodic rate (APR divided by 365) for that segment, and then we multiply the result by the number of days in the Billing Cycle. We add the Interest Charges for all segments together. The result is your total Interest Charge for the Billing Cycle.

The Average Daily Balance is referred to as the Balance Subject to Interest Rate in the Interest Charge Calculation section of this Statement.

NOTE: Due to rounding or a minimum Interest Charge, this calculation may vary slightly from the Interest Charge actually assessed.

How can I Avoid Membership Fees? If a Renewal Notice is printed on this statement, you may avoid paying an annual membership Fee by contacting Customer Service fewer than 40 days after the annual membership Fee was assessed to request that we close your account. To avoid paying a monthly membership Fee, close your account and we will stop assessing your monthly membership Fee.

How can I Close My Account? You can contact Customer Service anytime to request that we close your account.

How do you Process Payments? When you make a payment, you authorize us to initiate an ACH or electronic payment that will be debited from your bank account or other related account. When you provide a check or check information to make a payment, you authorize us to use information from the check to make a one-time ACH or other electronic transfer from your bank account. We may also process it as a check transaction. Funds may be withdrawn from your bank account as soon as the same day we process your payment.

How do you Apply My Payment? We generally apply payments up to your Minimum Payment first to the balance with the lowest APR (including 0% APR), and then to balances with higher APRs. We apply any part of your payment exceeding your Minimum Payment to the balance with the highest APR, and then to balances with lower APRs.
