of the subsequent collection and/or servicing activities recorded, and a business duty to report, to make the record or data compilation, or to transmit information thereof to be included in such record, or for such information to be posted in MCM's records by a computer or similar digital means. In the regular course of MCM's business, the record or compilation of the subsequent collection activities is made at or near the time of the act or event by MCM as a regular practice.

4. The accuracy of such records is relied upon by Plaintiff in collecting this Account. These records are trustworthy and relied upon because the original creditor was required to keep careful records of the Account at issue in this case as required by law and/or suffer business loss.

5. MCM's records show that the Account was charged off on 2022-10-19 with a balance of \$8,681.91. On or about 2022-12-21, Plaintiff purchased and was assigned the Account with a balance owed by Defendant of \$8,681.91. As of 2025-12-09, MCM's records show that the balance of \$8,681.91 remains due and owing and no interest has been assessed to the Account. Therefore, Plaintiff seeks the amount of \$8,681.91 from Defendant. All credits and offsets for payments have been applied to the balance.
